INSIDE INFORMATION EXPECTED SIGNIFICANT DECREASE IN LOSS

This announcement is made by China Healthwise Holdings Limited (the “**Company**”, together with its subsidiaries, the “**Group**”) pursuant to Rule 13.09(2)(a) of the Rules Governing the Listing of Securities on The Stock Exchange of Hong Kong Limited (the “**Listing Rules**”) and the Inside Information Provisions (as defined under the Listing Rules) under Part XIVA of the Securities and Futures Ordinance (Chapter 571 of the Laws of Hong Kong).

The board of directors of the Company (the “**Board**”) wishes to inform the shareholders of the Company (the “**Shareholders**”) and potential investors that, based on the preliminary assessment of the unaudited consolidated management accounts of the Group for the year ended 31 December 2022 (“**FY2022**”), the Group expects to record a loss attributable to equity holders within a range of approximately HK\$53 million to HK\$58 million of the Company as compared to a loss attributable to equity holders of the Company of approximately HK\$103 million for the year ended 31 December 2021 (“**FY2021**”).

The expected significant decrease in loss is mainly due to decrease in the impairment loss recognised during the year in respect of loan receivables from approximately HK\$103 million in FY2021 to approximately HK\$25 million in FY2022, which has been partially offset by the net realised and unrealised losses on investment in financial instruments of approximately HK\$16 million for FY2022, as compared to the net realised and unrealised gains on investment in financial instruments of approximately HK\$18 million for FY2021.

The Board wishes to emphasize that the information contained in this announcement is based on the preliminary assessment of the latest information currently available to the Board, which have not been audited or reviewed by the Company’s independent auditor. As at the date of this announcement, the Company’s annual results for FY2022 have not been finalized and are still subject to possible adjustments and allowances, and may be significantly different from the information disclosed herein. It is scheduled that the annual results of the Company for FY2022 will be announced by the end of March 2023.

Shareholders and potential investors are advised to exercise caution when dealing in the shares of the Company.
