- (7) The Memorandum of Understanding is legally binding and will be effective for one year.

## **INFORMATION ABOUT THE PARTIES**

Qingdao Oasis is an indirect wholly-owned subsidiary of the Company and is principally engaged in the business of consumer electronic products.

BabyTree is the biggest mother and child services platform in the world, which includes a mother and child website, mobile applications, content production, experience platform and smart devices.

## **REASONS FOR AND BENEFITS OF THE MEMORANDUM OF UNDERSTANDING**

BabyTree, which was founded in 2007, is currently the biggest mother and child services platform in the world. Its mother and child community website ([www.babbytree.com](http://www.babbytree.com)) has 22 million registered users and 90 million individual visitors per month, covering over 85% of the internet user families in China which has pregnant women and children under 6 year old. The Parties are of the view that these registered users and visitors are potential customers for mother and child smart devices. The Board further believes that the Group will be able to leverage on the expertise of BabyTree in web application development and online marketing. With Haier's strong brand name in appliance and unparalleled distribution network, the Board is very optimistic about the prospect of this cooperation.

The transaction contemplated under the Memorandum of Understanding does not constitute any notifiable transaction of the Company under Chapter 14 of the Listing Rules. This announcement is published by the Company on a voluntary basis.

## GENERAL

To the best of the knowledge, information and belief of the Directors, having made all reasonable enquiry, BabyTree and its ultimate beneficial owner(s) are third parties independent of the Company and its connected persons (as defined in the Listing Rules).
